WHAT IS THE ROLE OF PATRONATO SAN XAVIER?

Patronato San Xavier funds and directs ethical conservation, conducts scientific research, and conveys the significance of Mission San Xavier del Bac, a National Historic Landmark in the community of Wa:k, part of the Tohono O'odham Nation. To date, \$18 million has been raised and spent preserving the Mission, which comprises buildings dating from three distinct historic eras. Patronato San Xavier receives no sustaining funding from any government or religious organization.

FAST FACTS ABOUT MISSION SAN XAVIER:

- Mission San Xavier was part of a chain of 24 Missions established at the end of the 17th century through Sonora, Mexico and Arizona by the Jesuit priest, Eusebio Kino. The current iconic church was built 1783 through 1797 and is possibly the 3rd church built at the site.
- In addition to being a National Historic Landmark, the Mission Church was featured on the World Monument Fund's 2015 Watch List. This international listing, published every 2 years, calls attention to 25 of the most culturally significant at-risk sites in the world.
- Mission San Xavier is the finest example of Spanish Ultra Baroque architecture in the United States and is the oldest European-inspired building surviving in Arizona.
- The Mission has been under a comprehensive preservation effort to save the building and its artwork. It is the best preserved of the missions in the United States, and certainly those within the Kino chain.

ABOUT PATRONATO'S CHRISTMAS AT SAN XAVIER CONCERT SERIES:

- Patronato's largest fundraiser of the year, and one of Tucson's most sought-after holiday events, the concerts fill the Mission with angelic music and generate vital support for the ongoing conservation and maintenance of San Xavier del Bac.
- This annual fundraising event is in its 30th year and to date has raised more than \$4.5 million to fund restoration activities.
- 2026 offers underwriters recognition at 4 onsite concerts attended by 1000 guests across the two nights.
- Performers include Tucson Girls Chorus, Tucson Arizona Boys Chorus along with alumni soloists, all of whom receive generous compensation for their performances. Almost 100 young people form the massed choirs at each concert event.
